## **APARTMENT / HOUSE BED BUG TREATMENT PREPARATION FORM**

- Bag and remove all linens, blankets, bedspreads and pillows from beds, couches and chairs.
- Bag and remove curtains / drapes from windows.
- Bag and remove all clothing and other stored items from closets.
- Bag and remove all clothing, books, magazines, knick knacks, valuables and other stored items from dressers, nightstands, desks, end tables, coffee tables and bookcases.
- Deflate, bag and dispose of all air mattresses. Do not bring back into home.
- Bag and remove all items stored under the beds, couches and chairs.
- All items that can be laundered must be removed from the home and laundered in hot water at least 140° F and/or a hot dry cycle before returning to the home.
- Bag and remove all clutter from rooms to be treated.
- Upon returning items to the home do not store items under the beds, couches or chairs.
- All pets, dogs, cats, birds, etc., will need to be removed on the day of service. Turn off air supply and filter and wrap fish tank with plastic wrap.
- If you will be using a dry cleaner, tell them of the situation and provide all laundry in sealed bags.
- Please vacuum all rooms and discard vacuum bag the day before the scheduled treatment.
